

Notification of Change

Shenandoah Biotechnology
101 Camars Drive
Warwick, PA 18974

Date: January 29, 2021

To whom it may concern,

Shenandoah is sending this notice to inform you of our upcoming move to our new, state-of-the-art production facility. All company operations will change location according to the dates located in the table below.

From: 101 Camars Drive, Warwick PA 18974
To: 103 Steam Whistle Drive, Suite A. Warminster PA, 18974

Date	Function
February 15 th 2021	Business Operation, Shipping & Receiving
March 30 th 2021	Manufacturing, Research and Development

We kindly ask you to update your records accordingly and to address all future business correspondence to our new company address.

Business continuity will be managed and ensured by the execution of process validations and other control measures defined by and performed under the guidance of the Shenandoah Quality Management System and the Shenandoah Site Master Validation Plan.

Other than the company address, all other contact details of Shenandoah (including all current contracts and other agreements) remain unchanged.

We take this opportunity to express our sincere gratitude for your business in the past and we ensure that this new location will lead to even higher standards in the quality of the products we provide.

Please feel free to contact me if there are any further questions regarding the change of our address.

We look forward to an exciting 2021,

Marshall Franklin
