

Notification of Change

Shenandoah Biotechnology
103 Steam Whistle Drive Suite A
Warminster, PA 18974

Date: April 30th, 2021

To Whom It May Concern,

Shenandoah is sending this notice to inform customers of a discontinuation of Human APO-E4 and Human APO-E4 (AF) *E. coli* (catalog numbers 100-199 and 100-199AF). As of May 1st, 2021, Shenandoah will have limited inventory and minimal product sizes available. All requests will be fulfilled on a first come, first serve basis.

Please contact our Order Fulfillment department directly, prior to placing your order.

Thank you,

Jazmine George, CQT

A handwritten signature in black ink that reads "Jazmine George".
